Goldiee Group, established in 1980, takes great pride in positioning itself as a leader in the global spice and related food products industry.

The "**GOLDIEE**" brand has become a recognised name across India, Europe, and the Middle East, particularly in the realm of spices. The company has successfully maintained its status as a leading manufacturer, supplier, and exporter of a diverse range of products, including basic and formulated spices, noodles, ketchups, pickles, pooja products, and detergent powder for over two decades. Additionally, Shubham Goldiee Masale distributes whole spices such as anise seeds, black and white pepper, and green and large cardamom to the retail and Horeca sectors.

The company is equipped with advanced automatic plants and machinery, facilitating the hygienic processing and packaging of its spice products. All manufacturing and packing operations are conducted in state-of-the-art facilities that utilise the latest technologies.

Goldiee Group is committed to providing value for money and regularly offers a variety of exciting promotions and discounts to both online and offline customers. The organisation has received numerous accolades, including the MSME National Award for Outstanding Entrepreneurship in 2010, further solidifying its reputation in the industry.

An ISO 22000:2005

A world class standard for quality manufacturing facilities maintaining hygienic and systematic environment.

HACCP

Hazardous Analysis and Critical Control Point is a system preventive approach to food safety, addressing physical chemical and biological hazards as a means of prevention rather than finished product inspection.

FSSAI

Food Safety and Standards Authority of India is an autonomous body established under the Ministry of Health & Family Welfare, Government of India. The FSSAI has been established under the Food Safety and Standards Act, 2006 which is a consolidating statute related to food safety and regulation in India.

HALAL

Halal certification is a process which ensures the features and quality of the products according to the rules established by the Islamic Council that allow the use of the mark Halal.
