Goldiee Group established in the year 1980, is humble and proud to introduce itself as a leader in world of spices and related food products.

“**GOLDIEE**” brand has become a symbolic name in India, Europe, and Middle East especially for spices. The company has been successful, in being leading manufacturers, suppliers and exporters of all kinds of basic and formulated spices, noodles, ketchups, pickles and pooja products for over two decades. Shubham Goldiee Masale also supply whole spices such as anise seeds, black & white pepper, green and large cardamom to retail and Horeca.

The company is equipped with advanced automatic plant and machinery which enables processing and packaging of manufactured spices in a hygienic way. The products are manufactured and packed in the state of the art facilities with the use of latest and advanced technologies.

Goldiee assures value for money. They periodically bring and provide many exciting offers and discounts for online & offline customers. The company has won many awards including MSME National Award for outstanding Entrepreneurship in 2010.

An ISO 22000:2005

A world class standard for quality manufacturing facilities maintaining hygienic and systematic environment.

HACCP

Hazardous Analysis and Critical Control Point is a system preventive approach to food safety, addressing physical chemical and biological hazards as a means of prevention rather than finished product inspection.

FSSAI

Food Safety and Standards Authority of India is an autonomous body established under the Ministry of Health & Family Welfare, Government of India. The FSSAI has been established under the Food Safety and Standards Act, 2006 which is a consolidating statute related to food safety and regulation in India.

HALAL

Halal certification is a process which ensures the features and quality of the products according to the rules established by the Islamic Council that allow the use of the mark Halal.

**“Goldiee family encourages your interest and enquiry.
We look forward to a long lasting and profitable alliance at both ends.”**
